

The official schedules will not be out until the end of March. All scheduling information provided below is for reference only and is subject to change prior to the season except for the rookie division.

Rookie (league age 4-6) age on 8/31/2017:

Kids will be placed on teams and all teams will meet on Saturday Mornings from 9:00am to 10:30am during the season (April-June)

Every effort will be made to honor requests for kids to play on same team whenever possible. Each session will involve a combination of practice drills and gameplay. The amount of time given to gameplay will be increased toward the end of the season. The use of tees will be implemented for most of the season and coach pitch may be utilized as the season and players progress.

Farms (league age 7-8) age on 8/31/2017:

A formal draft will be held to select teams with a focus on fair and balanced teams. Games are played using modified Little League rules. An injury reduced baseball is used. This ball is much softer than regulation Little League baseballs. Players will participate in official games with an umpire. It is intended to further develop the skills of throwing, catching and hitting. All players will participate in a team skills competition on Championship Saturday. Game rules are covered in more detail.

Pitching:

Coach pitch for first half of season.

Second half of season:

All pitchers will pitch from **40' feet**.

Three strikes record an out with the umpire calling balls and strikes. There are no walks. In the event a pitcher throws four balls, a manager or coach from the batting team will pitch to that batter. The coach must be in the vicinity of the mound. The batter will retain whatever strikes he has accumulated against the original pitcher. The batter will remain at bat until striking out or putting the ball in play. The umpire will call strikes while the parent coach is pitching to encourage the batter to swing at good pitches. The objective is to develop pitching skills through experience while developing batting skills at the same time.

Games can be held on the following days: Sundays (start time is 12:00pm or 2:00pm) and possibly some Saturdays. Division wide practices will be on Tuesday evenings at about 6:00pm or so.

We do not honor requests to play with friends as our primary objective is to have fair and balanced teams.

Minors (9-10 year olds) players born between 5/1/06-8/31/08:

A formal draft will be held to select teams with a focus on fair and balanced teams. The players will pitch to batters and players are introduced to a higher level of competitiveness. Scores and standings are kept with all teams making the playoffs to play for division championship.

Games can be held on any combination of the following days: Monday's, Wednesday's and Saturdays. Weeknight games start at 6pm. Practices will be held based on coach's availability.

We do not honor requests to play with friends as our primary objective is to have fair and balanced teams.

Majors (intermediate) 11-13 year olds (age as of 4/30/2017):

A formal draft will be held to select teams with a focus on fair and balanced teams. The field size will be 50/70 (50ft pitching mound and 70ft bases). This division will feature leading and stealing on the pitchers delivery. Game rules are covered in more detail. This division will provide an excellent transition to a full size field.

Games can be held on any combination of the following days: Tuesday's, Thursday's and Saturdays. Weeknight games start at 6pm. Practices will be held based on coach's availability.

We do not honor requests to play with friends as our primary objective is to have fair and balanced teams.
